

The image shows the interior of a restaurant with a rustic, natural aesthetic. The ceiling is made of exposed wooden beams and rafters, with a woven thatched roof structure. Several pendant lights are visible, including a large, ornate glass lantern and smaller, woven basket-style lamps. The floor is made of light-colored stone tiles. In the foreground, a large wooden table with a thick top and natural log legs is surrounded by wooden chairs. On the table, there are small green glass vases with colorful flowers, a menu card, and a small wooden box. In the background, there are more tables and chairs, some with blue and orange cushions. Large windows and open sides of the structure offer a view of a lush tropical garden with various plants and a small pond or stream. The overall atmosphere is warm and inviting, blending indoor comfort with outdoor nature.
